# Tibor Signature Series

**Main Shaft Cap Screw**
By inserting a penny here, you can easily disassemble the drag system.

**Reel Stand**
Our balanced reel stand includes hook keepers for hiding the points of larger flies.

**Personalized Nameplate**
Each Tibor Signature reel features a personalized nameplate engraved free. The serial # is located under the nameplate.

**Detented Drag Knob**
Offers positive gripping & adjustment control.

**Micro Grain Cork Drag System**
Proven to be the strongest & smoothest drag available.

**Clutch Dog Springs**

**Signature Delrin Seal**
Keeps the Drag System completely waterproof.

**In & Out Going Clicker System**

**One Piece Large Diameter Spool**
Our ventilated Spool & Frame allow the reel to remain cool during long, scorching runs. Both the Spool & the Main Gear rotate flawlessly on three sealed precision Ceramic Ball Bearings.

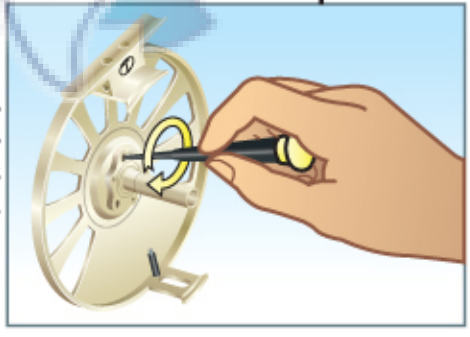

**Ventilated Frame**
Designed to feature custom engraving.

**QuickChange™ Hub**

**Solid SST Draw Bar**

**Counterweight**

**Easy conversion from Right to Left Hand Retrieve**
Simply depress the three Clutch Pins & rotate to 180˚.

**Rim Control**

**Delrin Handle**
Offers positive gripping & quick release.

**QuickChange™ End Cap**
Easily allows you to quickly change Spools.
