Mag 20 Wiring Schematic

Mag20 3A.ds

This 3880265 kit should contain the following parts:

- 1 – 050265 Control board mag20DTF
- 1 – 609209 Assy cable Mag20DT up/down control wire
- 1 – 050268 Assy Comm Mag20DTF

To accommodate the new control board, the parts listed above would also need to be replaced. Remove the parts indicated above from the downrigger and put the new parts in. Then wire according to the diagram.
