

# SERIAL NUMBER LOCATION

You can find the serial number for your kayak on the back cover of the Owner's Manual included with your boat. The serial number is also located on each boat as follows:

## KAYAKS

The serial number is located approximately 6" from the bow just under the parting line on the starboard side of the boat (the right-hand side of a kayak when you are facing the front).

## QUICK TIP

If a serial number that is etched into the boat is difficult to read, take a rubbing of the number by placing a piece of paper over the number and rubbing a crayon or pencil until the serial number can be seen on the paper.
